

Summer Enrichment for Juniors

Program Name	Discipline (Engineering, Arts, etc.)	Program Description	Location	Date(s) of Program	Fee/Are scholarships available?
<i>Duke Tip Program - Scholars Weekend</i>		<i>Duke TIP Scholar Weekends provide opportunities for academically talented students in grades 8-11 to take short courses during weekend-long programs at Duke University and select universities. Courses introduce numerous topics, including advanced science, which may not be available in students' local schools. Coursework provides enrichment, sharpens skills, and helps students define pathways to college majors and careers. In addition, Scholar Weekends provide a glimpse into the collegiate experience and an opportunity for participants to interact with similarly motivated peers.</i>	<i>Durham, NC</i>	<i>1 session in mid Feb. & 1 in mid March</i>	<i>\$450-\$400, Financial aid is available on a first- come, first-served basis to families who demonstrate need.</i>
<i>Duke TIP Summer Studies Program, Institutes and Field Studies</i>	<i>Law, Social Sciences, Math and Science, Arts and Humanities</i>	<i>The Duke TIP Summer Studies Programs provide summer opportunities for academically gifted 7th-10th grade students to study science (and other subjects) in-depth in unique Duke TIP courses at Duke University, and other select colleges and universities around the country. Students can also participate in Duke TIP Institutes, and Domestic and International Field Studies, which offer opportunities for exploration, learning, and research around the world. Duke TIP programs challenge students intellectually while providing a residential environment that encourages the development of friendships with similarly motivated peers and mirrors the college experience.</i>	<i>Various locations</i>	<i>Various 2 week periods in June and July</i>	<i>3,450-4,250</i>
