Class Rank/ GPA

Senior rank is computed weighted at the beginning, midyear, third quarter, and at the end of the school year. Rank is cumulative from 9th grade through 12th grade, including transfer credits from accredited institutions. Students transferring from out-of-country, non-accredited institutions, and home schooling receive earned credit with grades of P/F. Rank is based on a 4 point scale with weighted grades awarded to honors and advanced placement (AP) courses.

GRADING SCALE for students entering 9th grade after to 2015--16:

Letter Grade	Numeric	GPA	Honors/Advanced	AP
A	90-100	4	4.5	5
B	80-89	3	3.5	4
C	70-79	2	2.5	3
D	60-69	1	1.5	2
F	0-59	0	0	0

INC = incomplete WP = withdrawal, no penalty WF = withdrawal with an F FF = failed for violation of attendance policy

Per North Carolina State Board of Education [Policy GRAD-009](#), students in grades 9-11 during the 2019-20 school year were provided two options for final grades: Numeric grades or a PC19 or WC19. Numeric grades reflect the highest grade representing learning as of March 13, 2020 or as improved through the semester as remote learning continued. PC19 represents a passing grade and a full credit towards graduation; WC19 represents a lack of evidence of mastery in the course and indicates that the school is unable to award a full credit. Numeric grades are factored into the GPA and class rank; PC19 and WC19 grades are not.
